

BHUVANA R

L&D Consultant | Instructional Designer | eLearning Developer | AI-Fluent Learning Specialist

Bengaluru, India • mailrbhuvana@gmail.com • +91 97411 13237 • [linkedin.com/in/bhuvanainstructionaldesigner](https://www.linkedin.com/in/bhuvanainstructionaldesigner)

PROFESSIONAL SUMMARY

Self-employed L&D consultant and instructional designer with 12+ years of experience taking end-to-end ownership of learning programs—from needs analysis and instructional design through build, launch, facilitation, and continuous improvement—for both people leaders and individual contributors. Highly AI-fluent: uses ChatGPT, Claude, AI video generators, and AI-assisted authoring tools (Articulate Rise/Storyline) to build high-quality learning assets and deploy training at a fraction of traditional timelines. Agile self-starter who ramps quickly on new organizational context and delivers with minimal supervision in fast-paced, remote environments.

AI FLUENCY & MODERN TOOLSET

- **AI content creation:** ChatGPT and Claude for instructional design, storyboarding, scripting, and rapid content drafting.
- **AI media & video:** Synthesia (certified) and AI video generators for scalable, on-brand learning media.
- **AI-assisted authoring:** Articulate Rise 360 & Storyline 360, H5P—accelerating build cycles with AI-supported workflows.
- **AI Fluency enablement:** Sourcing, customizing, and rolling out AI-literacy/upskilling training across cohorts and managing enrollment.

CORE STRENGTHS

- End-to-end program design for leadership & team-member development tracks
- Strategic learning delivery & distribution (LinkedIn Learning, LMS/CMS) and learner engagement
- Instructional design & adult learning • TNA • storyboarding • assessments • gamified/scenario-based learning
- Virtual & hybrid facilitation that drives behavioral change
- Stakeholder & SME management • cohort/enrollment management • data & performance reporting

PROFESSIONAL EXPERIENCE

Independent L&D Consultant / Instructional Designer | Self-employed *Feb 2026 – Present*

- Partner with CNK to deliver end-to-end digital learning solutions—analysis, storyboarding, development, QA, and continuous improvement.
- Use AI tools (ChatGPT/Claude, Synthesia, Articulate Rise) to build high-quality assets and cut development timelines.
- Collaborate with SMEs and cross-functional stakeholders to produce interactive courses, assessments, and multimedia learning.

E-learning Developer / Training Content Manager | Mindskillz *Nov 2024 – Jan 2026*

- Developed end-to-end eLearning solutions integrating gamification and immersive storytelling for corporate training.
- Designed and managed interactive learning modules; partnered with SMEs to ensure engaging, effective content.

Curriculum Developer | Seekho *Jul 2024 – Sep 2024*

- Designed interactive learning paths and curricula for professional-development courses, focused on retention and engagement.

L&D Specialist (Volunteer) | Identity X Foundation *Feb 2024 – Jul 2024*

- Led training initiatives and instructional design; managed end-to-end training operations with internal and external stakeholders.

Learning Experience Manager | CoachVikram *Nov 2022 – Dec 2023*

- Designed scenario-based and blended learning programs for leadership development.
- Led TNA, instructional design, and delivery; partnered with SMEs on customized eLearning for business professionals.

Program Coordinator & Learning Experience Designer | WizKlub (EdTech) 2020 – 2021

- Managed coding modules (C Programming, GameLab) for learners aged 6–14 via project-based learning.
- Planned and coordinated STEM demo workshops; ensured trainer readiness and tracked attendance, conversions, and satisfaction.
- Coached instructors and engaged parents pre/post sessions to improve delivery quality and trial-to-enrollment rates.

Assessment & Content Development Specialist (Freelance) | Wheebox, Jaysantech 2018 – 2019

- Created assessment blueprints and question banks for technical subjects (Java, .NET, IoT, Blockchain).
- Designed K–12 and aptitude assessment items aligned to learning outcomes.

Training Administrator | Baxter International Inc. Jul 2017 – Mar 2018

- Managed LMS administration and blended learning; analyzed training effectiveness via pre/post assessments.

L&D Consultant | Archers & Elevators Publishing House Oct 2014 – May 2017

- Developed and facilitated customized learning solutions (incl. soft skills); conducted TNA and built instructional roadmaps.

Training Lead | Vision Technologies India Sep 2007 – Sep 2013

- Led corporate technical and behavioral training; managed calendars, vendors, and content strategy aligned to business goals.
